VOL. 2-NO 15

These, however, have been thwart, same period were \$217,517,130; of by the recent outbreak in the State of which there, of domestic products \$178, large supply of this metal from that Bravo. Having received information that persons from the United States had taken part in the insurrestion, and as the same period were \$217,517,130.

The exponsion for the past year, seems to promise a large supply of this metal from that quarter, for some time to come. This taken part in the insurrestion, and the complete of the world must be attended with its small taken part in the insurrestion, and as the complete of the world must be attended with its small taken part in the insurrestion, and as the complete of the world must be attended with its small taken part in the insurrestion. persons from the United States had taken part in the insurrestion, and apprehending that their example might be followed by others, I caused orders to be issued for the purpose of preventing any hostile expeditions against Mexico, from being set on foot in violation of the laws of the United States. I likewise issued a proclamation upon the subject, a copy of which is herewith laid bebore you. This appeared to be rendered imperative by the obligations of treaties, and the genral duties of good neighborhoods.

In my last annual message, I informed
